

Gwen Anderson Life Member of Halls Head Country Croquet Club

Club members of the Halls Head Croquet Club surprised Gwen Anderson with a *Life Membership Award* at the club's trophy day in December, 2009.

Since joining the club in 1991 Gwen has been a very active participant in all aspects of croquet. She has been club President for 7 years, and club Secretary for a further 8 years. On the playing field Gwen has 8 club championships to her name as well as the honour of representing Western Australia 5 times in the State 'Association' croquet team. Gwen is also an Association Referee, and level 1 coach.

Our newest Life Member is a very enthusiastic club member who takes part in all club activities from busy bees, committee duties, social events, etc., and is one of the first to offer help when required. Gwen is happy to give any players, new and experienced, coaching assistance and she has introduced many people to the joys of croquet in the Mandurah area.

Club members thank Gwen Anderson for the work she has put into their club over many years. She certainly is a worthy recipient of Life Membership of Halls Head Country Croquet Club.

Life members – Phyl Richards, Gwen Anderson, Val Warren
