Please check our web site for all the detailed results at www.croquetwest.org.au

Don't miss out – entries closing soon for these events:

- State B Grade GC doubles to be held at Nedlands Fri/Sat/Sun 11/13 Dec 2009
- Northam (Div 3) AC singles to be held at Moorabinda Fri/Sat/Sun 18/20 Dec 2009
- Ida Thorpe (open) AC singles to be held at Nedlands Fri/Sat/Sun 8/10 Jan 2010

Email your name and the name of the event you wish to enter to our event entries email address entries@croquetwest.org.au at least *14 days* before the event is due to start. Please note, this applies to WACA events only – entries for Club events still go to the Clubs directly (see flyers).

Other news:

Most WACA events are now scheduled for play on Friday, Saturday and Sunday. We've done this to avoid having to split play into artificially small blocks and to give you the most games possible. Please note, we will assume you can play Friday if you enter. We'll schedule a maximum of three games per day (four for open events). If you can't play part or all of Friday, you can still enter provisionally noting this. We're sympathetic to working folk though and will only schedule play on Friday if the number of entries requires it. In any case, players are also permitted to rearrange Friday games within the event period with the agreement of their opponent and the event manager.

The ACA has scheduled some new national golf croquet events. There will now be Men's and Women's singles events, doubles and a Gold Medal event (similar to that for AC where each state is represented by their bronze medallist). We have added an invitational Bronze Medal event to our calendar on 23/25 Apr 2010 to determine our participant. More details on the ACA website.

As always, happy to hear from you on anything related to match subcommittee activities.
