Email your name and the name of the event you wish to enter to our event entries email address entries@croquetwest.org.au at least *14 days* before the event is due to start. Please note, this applies to WACA events only – entries for Club events still go to the Clubs directly (see flyers).

Other news:

Wow! This is a busy time. There's loads of great croquet on offer. If you're not quite sure you want to enter, why not pop down to one of the events coming up and check out the opposition!

Thanks to those who've responded to our call you to become referees but we still need more for both AC and GC. How about becoming a ref and doing your game a lot of good in the process? Trevor Ashby is the bloke to contact on tjashby@iprimus.com.au

Last chance to have your say on how we run the Croquetwest events program by filling in a survey. Not that you have to forever hold your peace but this is a great opportunity to have an influence on next year's calendar. We've posted and emailed a copy of the survey to your club but you can also get a copy to download from our web site at www.croquetwest.org.au. Please return your completed survey by 5 April so we can use the feedback in planning next season's calendar – email to match@croquetwest.org.au (preferred) or post to 51 Ednah Street, Como, 6152. We look forward to hearing from you. Don't tell others – tell us!

As always, happy to hear from you any time on anything related to match subcommittee activities.

Susan Sands (Croquetwest Match Subcommittee Coordinator)
9368 2926 or match@croquetwest.org.au
