Other news:

Could club secretaries please use old entry forms for scrap paper? The new forms request slightly different information and we would like to use those. Copies of new forms were given to your delegate at the AGM and are also available for download from the web site.

The Leederville AC Doubles event needs to be rescheduled due to lawn maintenance at Cambridge – we'll let you know as soon as we agree a date.

The State Div 3 AC Doubles event also needs to be rescheduled as we had too few entries – again, we'll let you know as soon as we agree a date.

Could you please note another correction to Events Calendar published – the Gosnells GC Doubles will be held on May 23rd and 24th (not just 24th).

Also please note we are seeding all AC events this season as it tends to ensure the event result isn't determined till near the final rounds. We use the index/handicap in force at the date of the draw to rank players in order for this seeding. For handicapping purposes, the index/handicap in force on the first day of play is used.

Happy to hear from you on anything match related.
