### *Other news:*

We've drawn up a first draft of the 2009/2010 Calendar and have confirmed all club events for inclusion as advised. We've also sent requests to clubs regarding hosting of WACA events for 2009/2010 and seek your support in providing competition opportunities for players from other clubs as well as for your own club members – why not take advantage of local knowledge!

You'll be pleased hear we've scheduled no GC and only a few AC events for January and February 2010. It really is just too darn hot then and we don't need to be out in the sun.

We'll publish the calendar in July so you have plenty of time to plan your competition campaign for 2009/2010.

Happy to hear from you on anything related to match subcommittee activities.
