Other news:

We will be publishing the 2009/2010 Calendar in July as planned. Before that we will circulate a draft calendar to all clubs hoping inevitable errors will be spotted before the final version is distributed.

As previously announced, the AC Champion of Champions event will be run as a single competition. The McBride and Thorogood trophies as well as new prizes for best performances by Div 2, Div 3 and Div 4 players will be awarded. Similarly, B and C grade prizes will be awarded along with the open one for the inaugural GC Champion of Champions event. So, please let us know the names of your GC and AC Club Champions and come along to support them representing you.

As always, happy to hear from you on anything related to match subcommittee activities.
