### *Other news:*

We hope you've all seen the 2009/2010 Calendar by now and are planning loads of competitive croquet for the coming months. You'll see that most WACA events are listed for play on Friday Saturday and Sunday. We have done this to provide flexibility when entries are high. Play will still be scheduled mainly for Saturdays and Sundays but Fridays will be used if necessary. Of course, it remains possible to negotiate playing games scheduled for Friday in round robin events at other times if events secretary/manager/opponents agree.

Remember, the new email address for entries is [entries@croquetwest.org.au](mailto:entries@croquetwest.org.au). We'll send you a confirmation once we've noted your entry.

Don't forget our trophy day / end of season get together at Forrest Park on 20 September 2009 after the AC Champion of Champions event. We'll begin at 3:00pm but why not come a little early and watch the Champion of Champions playoff (from around 1:00pm). See you there!

As always, happy to hear from you on anything related to match subcommittee activities.
