

## 2009 South West Pennants Results

Teams of four players from S.W. clubs compete each year for the "South West Pennant" trophy. Advanced handicap singles croquet is played. The pennants were introduced to encourage division 4 players to participate in competitions, and to play 'aggressive' croquet.

A trophy is presented to the club which scores the most hoops in the competition.

August Club, with 280 hoops, was the winner this year.
